MEDICINAL.

It isn't the bodily sickness that hurts a man. He could stand that fairly well if his mind were easy. But Americans are busy. They have work to do--plans to make--schemes to execute. They are "plunging." They line up their incomes as soon as they receive them or re-invest them with the idea of increase. They cannot afford to be sick. Sickness is a calamity--a financial calamity as well as a physical one. So the sick man worries and the more he worries, the sicker he grows.

Worry is a good thing at the right time. The minute you feel a symptom of sickness--worry about it--do something about it--cure yourself. When you begin to feel run-down--when a twinge of rheumatism tells you plainly that your blood is impaired--when you are losing flesh and vitality, go to the nearest drug store and get a bottle of Dr. Pierce's Golden Medical Discovery. It is the greatest blood purifier and tissue builder on earth. It cures rheumatism and all other blood diseases by curing the cause. It purifies the blood and puts the blood-making organs into good, healthy, working order. It tones up the kidneys, stirs up the liver, helps the kidneys in their work and puts suffering nerves at rest. It contains no whisky, alcohol, opium or other dangerous drugs and does not, therefore, create a craving for stimulants or narcotics.

GOVERNOR'S PROCLAMATION.

Commonwealth of Virginia.
Governor's Office,
January 13, 1900.

"I have been more or less troubled with indigestion, but since the use of Otterburn Lithia Water for over a month have been greatly relieved and I think it principally due to the efficacy of the water. I cheerfully recommend it."

J. HOGE TYLER.

Superintendent of Public Instruction says: "I desire to bear testimony to the great value of the Otterburn Lithia Water of Annulla county. In my own person I have found this water very beneficial in indigestion and gout."

JOSEPH W. SOUTHWELL, M. D.

Dr. George Ben. Johnston says: "I use it in renal rheumatism, dyspepsia, lithemia, and all forms of renal and bladder troubles. I prescribe no mineral water so freely as the Otterburn."

Dr. J. G. Trevillian says: "Several of my cases of kidney trouble have improved more rapidly under the use of the Otterburn Water than Bethesda or Buffalo Lithia."

State Chemist speaks: "This spring water of the Calcium-Magnesium-Alkaline class of waters--waters which are of approved efficacy in a variety of disorders, especially of the digestive and urinary organs."

WM. H. TAYLOR, M. D., State Chemist.

"I have found the Otterburn Lithia very useful in my practice."

WM. M. SMITH, M. D.

"I regard Otterburn Lithia Water as one of the most valuable mineral waters on the market and use it extensively in my practice."

UNITED CONFEDERATE VETERANS.

New Orleans, La., May 14, 1900.

To the Editor of the Alexandria Gazette:

Dear Sir: Gen. J. B. Gordon, commanding United Confederate Veterans, respectfully requests that you will aid the patriotic and benevolent objects of the United Confederate Veterans by publishing immediately in your next issue the following information, which will be of value and interest to the old veterans in your vicinity and will aid the Louisville reunion and our association.

The reunion will be held at Louisville, Ky., on May 30th, 31st, and June 1st, 2nd and 3rd, Wednesday, Thursday, Friday, Saturday and Sunday, respectively.

The reunion committee is a body of distinguished Confederate soldiers, who as soldiers know what is due to the old veterans of the South, and Kentucky veterans know how to dispense to the large number of officers, ladies and other guests who will honor them with their presence that genuine hospitality for which they have a world-wide reputation.

Their first care will be for the comfort and pleasure of the private soldiers, the men who stood in the trenches and behind the guns; they come first, and everything else is to be made subsidiary to their comfort and welfare.

After they are provided for, then the reunion committee will see to it that all of the officers, sponsors, maids of honor, sons of Veterans, Daughters of the Confederacy, and visitors of a classes, will receive that attention and hospitality for which the citizens of Louisville are so justly noted. A great reunion hall, a magnificent structure, has been built right upon the banks of the Ohio river, where our business will be transacted.

A "great Confederate arch" has been erected in honor of the Confederate soldiers, and the city will be covered with flags and bunting by day, and at night will be a blaze of light, as the principal streets will be illuminated with red and white arches from which will be suspended the names of some of our illustrious dead in electric colors.

Many pleasures, some of which are barbecues, basket picnics, sham battle re-enactments, the battle of Perryville; representation of the gunboat battle of Fort Donaldson where seven thousand cannon will be fired; excursions up and down the Ohio river; receptions tendered the sponsors and maids of honor by the Albert Sidney Johnston Chapter "Daughters of the Confederacy," a grand ball to be given in the Confederate Reunion Hall, and many other amusements and entertainments, to nearly all of which the old veterans are invited free. A band will be stationed at each division headquarters for use from the time of the arrival of the veterans and retained until their departure.

All department, division and brigade commanders while in Louisville will have free use of the Postal and Western Union Telegraph on business connected with reunion matters.

There will be no Confederate hotel as formerly, but meal tickets will be issued to those not able to pay, and free cots will also be supplied to them.

Our annual parade will take place as usual, the order of march will be announced just previous to the assembling of the convention.

The oration will be delivered by Rev. Dr. B. M. Palmer, of New Orleans, La., the celebrated soldier divine, whose ministrations during the war were with the army of Tennessee.

Hon. Jas. H. Berry, senator from Arkansas, will deliver an address upon the second day, solely upon "Incidents and heroes of the Trans-Mississippi department during the war."

Rev. Dr. J. W. Jones, of the army of Northern Virginia, chaplain general of the U. C. V's, will deliver the "Memorial Sermon" in the Reunion Hall, on Sunday, the 3rd day of June.

The splendid reunion committee will see that nothing is omitted, and the abundance and completeness of all their arrangements is a guarantee that all who honor Louisville with their presence will be gratified with their reception and pleased with the attention which these peerless people so well know how to show to the guests within the gates of their hospitable city. By order of

J. B. GORDON,

Commanding General.

GEO. MOORMAN,

Adjutant General and Chief of Staff.

An Ancient Belief.

The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic.

There is enough to warrant that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by all druggists.

"After suffering from piles for fifteen years I was cured by using two boxes of Dr. W. H. Bates' Witch Hazel Salve." writes W. J. Baxter, North Brook, N. C. It heals everything. Beware of counterfeits.

Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in severe throat and lung troubles, "Boche's German Syrup." CITY GAS OFFICE.

Room No. 5 and 6, City Hall.

Alexandria, Va., May 15, 1900.

As I am compelled to make up my accounts

for the fiscal year ending May 31, 1900, it

has become my duty to make immediate ef-

forts to collect all outstanding bills. I there-

fore notify all gas consumers whose bills are

not paid by 4 o'clock p. m. on THURSDAY,

May 31, 1900, that the meters will be at

once removed from their premises and the

supply of gas cut off and the collection of all

outstanding bills enforced. The attention of

gas consumers is called to the following law:

An act to reduce the price of gas.

Section 1. Be it enacted by the City Coun-

cil of Alexandria, Virginia, "That from and

after the 1st day of June, 1899, the price of

gas shall be reduced to \$1.30 per 1,000 feet,

with 10 cents discount upon each 1,000 feet

for prompt payment; but no discount shall

be allowed on any gas bills unless paid on or

before the 1st day of the succeeding month

in which the state of the meter is taken, and

when not paid within ten days after that

date the Clerk of the Gas shall cut off the

supply of gas.

As the law gives me no authority to grant

any indulgences, I must insist upon a prompt

settlement of gas bills.
